Terms of Reference for the Civil Engineer cum Project Monitoring Consultant

1. Background:

In August 2010, the Government of Bangladesh issued the *Policy and Strategy for Public Private Partnership (PPP)* to facilitate the development of core sector public infrastructure and services vital for the people of Bangladesh. The PPP program is a part of the Government's Vision 2021 goal to ensure a more rapid, inclusive growth trajectory, and to better meet the need for enhanced, high quality public services in a fiscally sustainable manner.

The Bangladesh Public-Private Partnership Act, 2015 ("PPP Act") was enacted and gazetted on 16 September, 2015. Under this act, the PPP Authority was established in September 2015 as a separate, autonomous Authority under the Prime Minister's Office to act as a catalyst to proactively identify, realize, screen, develop and provide support for PPP projects.

The PPP Authority supports line Ministries to facilitate identification, development and tendering of PPP projects to international standards. For interested investors and lenders, the PPP Authority provides a professional, transparent, centralized portal to high quality PPP Projects. The PPP Authority helps to augment government sector line ministry project development efforts with world-class external PPP resources, with the goal of increasing the quality, attractiveness, and sustainability of PPP projects while realizing them in an efficient, cost-effective manner.

Jhilmil city development is one of the pioneer initiatives of Rajdhani Unnayan Karttripakkha (RAJUK) to accommodate the increasing population with modern amenities and civil facilities. To reduce population pressure and growing traffic congestion in Dhaka city the project will contribute significantly by catering the demand of more than 2 lacs people for residential facility through a full-fledged city development. Jhilmil residential project has been proposed to be developed over 80 acres of land with approximately 15000 apartments. The project will also cover school, parks, shopping malls etc. which are required in a modern integrated township project.

With recommendation from the PPPA the project was approved by CCEA on 4th November 2015. Later, RAJUK requested support from PPPA for project management and monitoring services for the Project.

2. Objectives:

The purpose of appointing an individual consultant is to support the PPP Authority in delivering the project titled '*Construction of High-rise Residential Apartment Building for Low and Middle Income Group of People at Jhilmil Residential Project Dhaka*'.

3. Scope of Services:

The Civil Engineer cum Project Monitoring Consultant will be responsible for project management, monitoring and technical assistance to line Ministries in undertaking PPP projects. S/he will continuously interact and liaise with project sponsor and ensure that only quality projects are presented to the Government.

The tasks that the Civil Engineer cum Project Monitoring Consultant will need to undertake include (but not limited to) the following:

- Developing and updating project action plans and liaising with relevant stakeholders to monitor progress;
- Reviewing the terms and conditions including the technical/civil engineering parameters of Bid Documents to be issued for the PPP project to ensure compliance with PPP guidelines;
